

About Us!

JG Security has been providing quality gate-guarding services to MANY industries throughout the US since 1995!

These industries include, but are not limited to:

Oil and Gas, Construction, Green Energy, Ranches, etc.

We specialize in onboarding Contractor Teams.

In this position, our guards may reside onsite in their own RV with their utilities provided - OR - at a nearby RV park with a company vehicle.

In both cases, they receive a substantial daily rate!

Each gate generally lasts between 1-3 months, though there are long-term gates!

Requirements:

Must provide your own partner and RV

Able to move your own RV (no third-party tows)

Everyone on location must be at least 18 years of age

Able to respond to driveway alarms timely

Pets must be domestic, friendly and contained at all times

Dependable transportation other than your RV required

Dependable cell phone/internet solution

Licensing

Each team member must obtain a **LEVEL 2 NON-COMMISSIONED SECURITY LICENSE**

through the state of assignment.

[*JG Security guides our guards through this process!*](#)

(Must be able to pass an FBI background check)

Responsibilities

For 24/7 Onsite Security:

Residing in your own RV with your own partner on location.

Logging each vehicle that passes your gate (or as specified) on our App!

Monitoring speed and directing traffic

Observing & Reporting all potential hazards, unauthorized personnel, etc. to Operations.

Certain types of gates may effect different duties.
